

TRIPLE THREAT

BASKETBALL LEAGUE

www.TripleThreatBBall.com

Dear Coach,

For the past five years, Triple Threat has hosted one of the finest elite basketball leagues in the Dallas-Fort Worth metroplex for boy and girl student athletes. The league will be facilitated by a championship coach. Coach Prather led Southlake Middle School student athletes to three district basketball championships in the last five years.

This summer's league will run from May 3 - May 31, 2008. This league is for student athletes who are in the **seventh and eighth** grades during the 2007-2008 school year. This league is highly competitive and will allow each student athlete an opportunity to showcase his or her talents and abilities. Triple Threat will provide professional referees that understand basketball.

The league will be held at Watauga Community Center, located at 7901 Indian Springs, Watauga, Texas 76148, on Saturdays, from 9:00 a.m. to 5:00 p.m. (specific times TBA). Registration and entry fees are \$400.00 per team. If you can't find a coach to coach your team, Triple Threat can provide a coach. If you have any questions, contact Coach Prather at (817) 937-7929 after 7p.m.

Sincerely,

Richard Prather
